

Winter-trail with Rocky

These beautiful pictures from a winter-trail with Missouri-Fox Trotter-gelding Rocky we recently received from Caroline Fidler. Rocky belongs to Caroline since autumn 2009 and both are already a great team!

Out of Carolines e-mail:

„ ... In the herd, Rocky is already on place 2. Going for a ride is without problems, but you know that anyway. ... „

Caro, many thanks for the beautiful photos and we wish you much fun with Rocky!
