

### 3. Baden-Württemberg tournament of the Missouri Foxtrotting Horses

Many thanks to the organizers of the 3rd Baden-Württemberg Tournament of the Missouri Foxtrotting Horses in Graben Neudorf, especially to Jürgen Hess and his team, and the EMFTHA under whose auspices this event could be successfully carried through.

Within the participation of more than 50 horses, our farm was successfully represented by Hans Ollmann with "Ol Perfection's Smokey Cloud".

As he placed first five times and placed second three times in the performance gait classes, he is in the high-point score again.

The Championship will be continued in the club-championship in Rüdnitz on July 3rd – July 5th.
